Our stay was amazing. The restaurant in the hotel served lovely food and good value. Gym was great had a lot of machines and very spacious. Two swimming pools, one on roof top and outside the front of hotel. Location is ok, 110000 in taxi to town but we rented a bike in the city.

Every thing was good. The staffs were very nice when I asked for help. I really like the front yard which was so nice to seat there and chit chat with friends.
